

Objective: How to Zip and Send your Data to CME Tracker Support

Note: Know your CME Tracker folder path before you Zip and Send.
See Tutorial: "Locating your CME Tracker Folder Path".

Step 1: Open your CME Tracker. Click Tools. Click Zip-N-Send. (Fig. A)

Fig. A

Step 2: The CONFIRM TABLE MAINTENANCE popup appears. Click Yes. (Fig. B)

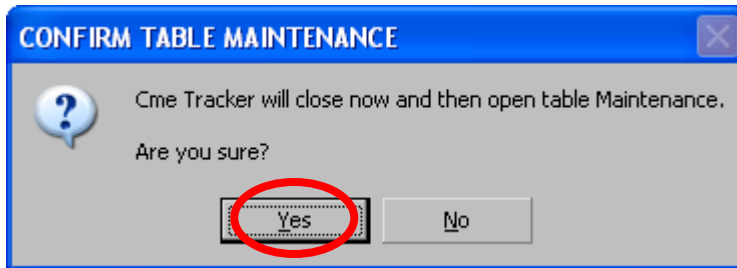

Fig. B

Step 3: The ZIP-N-SEND popup appears. Click Zip & Send. (Fig. C)

Fig. C

Step 4: The CONFIRM ZIP-N-SEND popup appears. Click YES. (Fig. D)

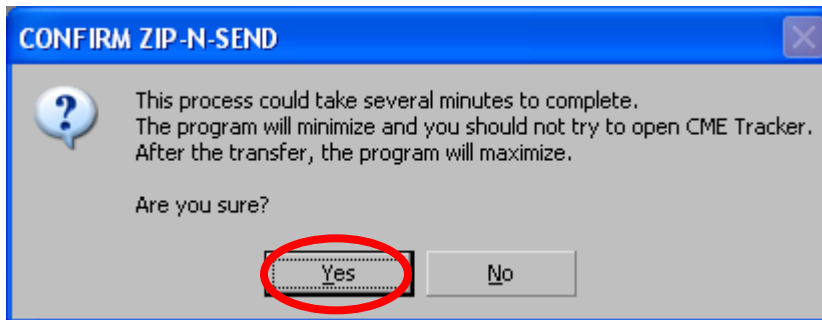

Fig. D

Step 5: The Files are now being prepared to be sent to the CME Tracker website in the Upload area. A Server Reply popup will appear when complete. Click OK. The ZIP-N-Send popup reappears. Click Close. (Fig. E)

Note: You will receive an error message if your firewall will not allow this file to be sent.

Fig. E

Step 6: Once the Program maximizes, open your Web Browser and go to www.cmetracker.com/upload.html . This takes you directly to the Upload area in the CME Tracker Website. Click on Browse... (Fig. F)

Fig. F

Step 7: Locate your CME Tracker folder by using your CME Tracker path. Once you find your folder, in the File name box, type in *.zip and then Enter to find the file that you just zipped up. ([Fig. G](#))

[Fig. G](#)

Step 8: The file will have a date followed by zip. In this example, You713.zip means this file was for July13. Click on this file. It will appear in the File name box. Click Open. ([Fig. H](#))

[Fig. H](#)

Step 9: The Zip file now appears in the Upload area. Click Upload. ([Fig. I](#))

Note: This may take several minutes.

[Fig. I](#)

Step 10: You will get a message on your screen letting you know that the "File Uploaded Successfully". ([Fig. J](#))
